Formality Corrections

We have amended the claims as requested by the Examiner in paragraph 1, on page 2 and 3 of the Office Action dated September 22, 2004.

35 U.S.C. 112 Objections

Please note that we have removed the phrase "such as" in claims 4 and 5 and replaced it with "for mounting to a wall or ceiling surface" in claims 4 and 5.

In regard to the phrase "said flexible leg portion", note that we have amended this to read "said flexible leg" removing the word "portion". The term flexible leg has been defined in claim 5, paragraph (a) and therefore, "flexible leg" has antecedent support from claim 5.

The Examiner has indicated that claims 4 through 8 and 10 through 17 are allowable and we have amended claims 4 through 8 and 10 through 17 in accordance with the Examiner's objections. We have cancelled claims 1, 2, 3 and 9 and therefore, the remaining claims presented as amended contain patentable subject matter in accordance with the Examiner's findings.

I look forward to receiving your reply, I remain.

Yours truly,

Mark A. Koch
